11 outrageous home decor predictions

New Year, New Trends

Elizabeth Jenkins

We asked some of the nation's top decorators to look into their crystal balls and predict which colors, fabrics, finishes and styles will be big in 2014. Get ready to jumpstart your home decor projects!

Flower Power

Designer: [Timothy Corrigan](#), Los Angeles

In his crystal ball: "We will see more organic, floral prints and less geometric patterns. There will be brighter, clearer colors used in the design. Greige is over."

Timothy Corrigan
